

Civ. No. 06-117-SLR

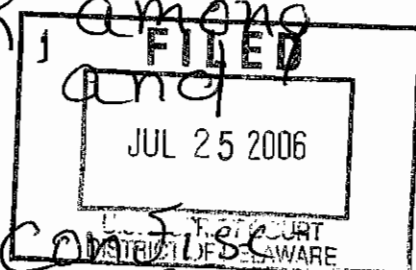

July 10th, 06

Dear Honorable Judge Robinson;

It appears that through motions, answers, ect. the issue of my Confiscated legal Work was phased out.

When the state answered the Court regarding my request for a preliminary Injunction they completely evaded the issue of my personal legal work, among other inconsistencies and fabrications.

The defendants ~~con~~ ⁵ ~~ce~~ ^{scanned} ated all of my personal legal work such as letters from my attorney, all of my criminal records including psychiatric violations, and medical records, Certificates and diplomas, All of my Civil

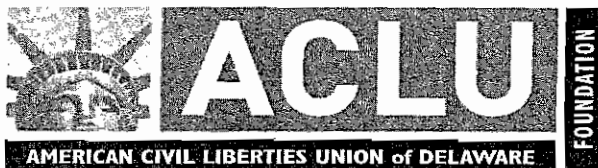

legal work and the 1983 I was working on due to poor prison conditions and the problem with retaliation.

I was not quite sure how to deal with this problem, or what to file. I have tried everything I know to rectify this. The ACLU has contacted the warden twice about this but to no avail.

Thank you for your time.

Sincerely,

Teri J. Meyer
